

Science pupils' survey

Last year we introduced Empiribox for our Science lessons. We have now had a year of these types of Science lessons and Mr Murdoch and Mr Ming would like to know what you think.

We would like you to look at the following statements and say if you agree, are not sure or disagree with them.

	<i>Agree</i> 	<i>Not Sure</i> 	<i>Disagree</i> 
My enjoyment of Science lessons has improved			
My knowledge and understanding of Science have improved			
Having more practical lessons has helped my understanding of Science get better			
The demonstrations help me understand the science concept			

Comments (optional) – How could we make Science even better?
