

On 11th September 2018, we asked pupils from years 4,5 & 6 to evaluate their year's worth of Science lessons using the Empiribox system.

Here are the results from 36 pupils

	Agree 	Not Sure 	Disagree 
My enjoyment of Science lessons has improved	29/36 81%	7/36 19%	0/36 0%
My knowledge and understanding of Science have improved	31/36 86%	4/36 11%	1/36 3%
Having more practical lessons has helped my understanding of Science get better	34/36 94%	2/36 6%	0/36 0%
The demonstrations help me understand the science concept	32/36 89%	4/36 11%	0/36 0%

Comments (optional) – How could we make Science even better?
