

Fun & Creative Story time, Craft & Dance sessions

Make it Groovy provides Story time, craft & dance sessions for children aged 18 months to 5 years. We offer parent and child toddler classes in East Malling and Ditton on a weekly basis as well as workshops in infant and primary schools for Reception classes. Our classes allow children to be creative, use their imaginations and work within the EYFS framework to support their development.

Each session is based around a different story book which is read at the beginning of the session. The children then make a craft and use it as a prop in our dance and movement class. We also use other props such as scarfs and Pom Poms as well as instruments and we finish the session with bubbles.

For more information please visit www.makeitgroovy.co.uk/booking or email makeitgroovy@yahoo.com You can also find us on Facebook and Instagram.
