## 1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

## 2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

### 3.4 The Attendance Officer

The school attendance officer is responsible for:

- Monitoring and analysing attendance data (see section 7).

- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the headteacher.
- Working with education welfare officers to tackle persistent absence.
- Advising the headteacher when to issue fixed-penalty notices.

The attendance officer is Mrs Dunkley and can be contacted via the school office 01622 820360 or [office@hunton.kent.sch.uk](mailto:office@hunton.kent.sch.uk)

### 3.5 Class Teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office twice daily.

### 3.6 School Office Staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system.
- Transfer calls from parents/carers where appropriate, in order to provide them with more detailed support on attendance.

### 3.7 Parents

Where this policy refers to a parent, it refers to the adult, the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not.

- All those who have parental responsibility for a child or young person.
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them).

Parents are expected to:

- Make sure their child attends every school day on time.
- Call the school to report their child's absence before 8.40am on the day of the absence and each subsequent day of absence, and advise when they are expected to return.
- Provide the school with more than 1 emergency contact number for their child.
- Ensure that, where possible, appointments for their child are made outside of the school day.
- Keep to any attendance contracts that they make with the school and/or local authority.

Seek support, where necessary, for maintaining good attendance, by contacting Mrs Lang or Mrs Dunkley via the school office on 01622 820360 or [office@hunton.kent.sch.uk](mailto:office@hunton.kent.sch.uk).

### 3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

## 4. Recording attendance

### 4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.40am and ends at 3.15pm.

Pupils must arrive in school on time each school day.

The register for the first session will be taken by 9.00am. The register for the second session will be taken by 1.30pm

## 4.2 Unplanned absence

Hunton CEP School has an expectation of 100% attendance. The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.40am or as soon as practically possible, by calling the school office. Callers will be prompted to press 1 to leave a message for absences.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, Hunton CEP School will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

## 4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. Parents should request leave of absence via the school office on 01622 820360 or [office@hunton.kent.sch.uk](mailto:office@hunton.kent.sch.uk).

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

## 4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

The School Office will produce a report on pupils arriving late for school (both before and after registers have closed) on a weekly basis.

The Attendance Officer will review punctuality data weekly and termly.

All letters and meetings held with parents / carers will be logged in the School Attendance file stored in the filing cabinet in the school office.

**Where a pupil has been late (before or after registers close) on three occasions in 50 consecutive school days**, a letter will be sent to the child's parents / carers to remind them of the importance of being punctual at school. The letter will request that the school is notified if there are any specific difficulties causing the child to be late for school. The pupil will be subject to focused monitoring for the next two full terms.

**Where a pupil has been late (before or after registers close) on six occasions in 50 consecutive school days**, the parent / carer will be invited to an Attendance Meeting with the Headteacher and the Attendance Officer. Attendance meetings will include the following;

- Reminder of the importance of punctuality and the parent / carer's legal obligations
- Discussion of any difficulties contributing to the child's lateness
- Planning of support to address these difficulties, where appropriate

- Information on next steps and how the child's punctuality will be monitored going forward

At this stage, referrals may be made to family support agencies (e.g. Early Help) if this is deemed appropriate. The pupils will be subject to focused monitoring for the remainder of the school year.

**Where a pupil has been late (before or after registers close) on eight occasions in 50 consecutive schooldays, and** parents / carers have not been able, or willing, to address the situation, despite appropriate support from the school and any relevant support agencies (e.g. Early Help), the family will be referred to KCC's School Liaison Officer, using the Digital Front Door, and a Penalty Notice Warning Letter will be sent.

**Where a pupil has been late (before or after registers close) on ten occasions in 50 consecutive school days, and** where the parent / carer has not been able, or willing, to address the situation, despite appropriate support from the school, any relevant family support agencies and the School Liaison Officer, the Headteacher may refer the parents / carers for a Penalty Notice.

## 4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, Hunton CEP School will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may carry out a welfare check on the pupil's home, contact social services or the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 1 working day after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, Hunton CEP School will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, our school will make use of the full range of potential sanctions

## 4.6 Reporting to parents

Hunton CEP School will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels during Parent Consultations usually held in October and February and a full attendance report is issued with the year-end report in July.

# 5. Authorised and unauthorised absence

## 5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview

- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as rare, significant, unavoidable and short. By 'unavoidable' it implies that an event could not reasonably be scheduled at another time.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

Leave of absence will not be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted via email to [office@hunton.kent.sch.uk](mailto:office@hunton.kent.sch.uk) as soon as it is anticipated and, where possible, at least three weeks before the absence. The headteacher may require evidence to support any request for leave of absence

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, Hunton CEP School will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

## 5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

### Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, Hunton CEP School will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

### Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

## 6. Strategies for promoting attendance

At Hunton CEP School, we adopt a whole school approach to promoting good attendance at school. Central to this approach is a commitment to working closely with parents and carers and building strong home-school partnerships, so that we can support them to secure the best outcomes for their child(ren).

We employ a range of strategies with the aim of working towards 100% attendance for all pupils, including;

- striving to make our school a safe and happy place for all pupils to be
- development of good support for children with medical conditions (including the use of individual healthcare plans), mental health needs (including school anxiety) and special educational needs (SEND)
- building effective relationships between staff, pupils and parents / carers
- taking action rapidly to identify and tackle bullying, sometimes using confidential and anonymous means for pupils to identify problems
- referrals being made to external agencies and used to support identified individuals and groups who are having difficulty in maintaining a good attendance
- inviting pupils to comment on features of the school that do not support their learning and attendance and listening to their views.
- ensuring that all parents / carers and pupils understand the importance of regular and punctual attendance at school
- delivering clear messages about expectations, routines and consequences to new pupils and families through prospectus and admission/transition events
- using physical presence to reinforce routines and expectations on arrival and departure
- regularly communicating expectations for attendance and punctuality through our newsletters, twitter and other communication channels
- regular monitoring of the implementation of policy and practice
- regular monitoring of whole school data to identify reasons for absence, patterns, attendance of particular groups and the impact of interventions
- establishing, implementing and monitoring robust arrangements to identify, report and support children missing education (CME)
- nomination of a governor with an attendance remit and governors are informed regularly about attendance and punctuality through a headteacher's report and are aware of the strategies used to maintain and improve them.

## **7. Attendance monitoring**

### **7.1 Daily Monitoring**

Daily monitoring is undertaken by the school office and includes;

- Following up on any pupils who are unexpectedly absent and for whom no explanation has been provided by a parent / carer.

### **7.2 Weekly Monitoring**

The School Office will:

- Flag any concerns with the Attendance Officer

The Attendance Officer will:

- Review the weekly attendance and punctuality data from the office
- Add pupils with attendance below 95% to the Attendance monitoring list, noting those with one or more absences
- Add pupils with attendance below 90% to the Attendance Monitoring list
- Add pupils with 3 or more lates to the Punctuality Monitoring list
- Check data for pupils on the Attendance / Punctuality monitoring lists
- Identify any letters to be issued

### 7.3 Termly Monitoring

The Attendance Officer will produce a termly report, for senior leaders and governors, at the start of each term (with the exception of term 1) and at the end of term 6. This report will cover the previous term, and detail:

- Whole school attendance for the year to the end of the previous term
- Whole school attendance for Pupil Premium pupil for the year to the end of the previous term
- Whole school attendance for pupils with SEND for the year to the end of the previous term
- Whole school attendance for GRT pupil for the year to the end of the previous term
- Whole school persistent absence for the year to the end of the previous term
- Number of pupils persistently absent for the year to the end of the previous term
- The number of pupils with attendance below 95% for the year to the end of the previous term
- Pupil Punctuality Monitoring list and number of lates for each pupil for each term to date
- Pupil Attendance Monitoring list and individual attendance figures for each child for each term
- Summary of actions taken in the previous term and an evaluation of impact

The Attendance Officer will review the school's attendance data alongside any nationally and locally published attendance data to identify potential areas of strength and areas for development. This will be discussed by SLT, alongside the pupil-level data provided in the termly reports, in termly Attendance and Safeguarding meetings. Information will be shared with the governing body at each governor's meeting.

### 7.4 Annual Monitoring

Annual pupil-level absence data is published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The Attendance Officer and Headteacher will compare attendance data to the national average, and share this with the governing body. Areas of strength and areas for development will be identified and used to inform the school's School Evaluation Form (SEF) and the School Improvement Plan for the coming year.

## 8. Monitoring Attendance

Hunton CEP School will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request. The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

Hunton CEP School will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

### 8.1 Analysing attendance

Hunton CEP School will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance

- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

## 8.2 Using data to improve attendance

Hunton CEP School will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to the headteacher to facilitate discussions with pupils and families, and to the governing board and school leaders.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

## 8.3 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

Hunton CEP School will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at school
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, Hunton CEP School will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary

## **9. Monitoring arrangements**

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum every three years by the headteacher. At every review, the policy will be approved by the full governing board.

## **10. Links with other policies**

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy
