## Purpose and Priorities

### Priorities

1. Writing attainment is low in multiple year groups and significantly low in Year 5
2. Reading attainment and phonics knowledge in Year 2
3. Progress in mathematics since Term 3 19/20 is regressive in Year 5; additional support in mathematics for some UKS2 pupils.

### Purpose of spend

The catch-up grant will be used for additional provision and training that supports us to close the gap in the above priorities.

### What children need

[For all children]

- Supporting great teaching.
- Focus on getting reading, writing and mathematics back on track.
- Encouraging parents to support their child with reading opportunities

[For some children]

- Additional support and focus on reading and phonetical knowledge
- Additional support in writing
- Additional support in UKS2 mathematics

## Plan

How the grant will be spent	How the effect of this expenditure on the educational attainment of those pupils at the school will be assessed	Cost
<b>Targeted Support and Interventions</b>		
Pay for tuition guided by the school, linked to the curriculum and focused on the areas where pupils would most benefit from additional practice or feedback - 1:1 or small group.	Progress will be tracked against all targets set for each class.	£2500
Implement intervention programmes to meet a gap in speech and language. Provide support staff with CPD to enable consistent delivery.	SENCo to review impact of interventions through SEND pupil progress data and subsequent meetings with class teacher	
<b>Focus on getting reading, writing and mathematics back on track.</b>
