

Friday 9th January 2026

Dear Year 6 Parents/Carers,

In P.S.H.E/RSE this term, Borton's topic is 'Safety and the Changing Body'. Please see what Year 6 will be learning about in term 3:

- I know the steps to take before sending a message online (using the THINK mnemonic).
- I know some of the possible risks online.
- I can discuss some of the emotional changes through puberty.
- I can identify reliable sources of help with puberty.
- I know that puberty happens at different ages for people.
- I can review the process of the menstrual cycle.
- I recap the names of the external sexual parts of the body and the internal reproductive organs.
- I know and understand how a baby is conceived and develops during pregnancy.

The learning outcomes in red will be broadly taught separately to Year 5 and will form part of the children's Relationships and Sex Education (RSE). As a school, we feel strongly about teaching all content provided by the scheme we follow for this subject: 'Kapow'.

However, for the final bullet point only '*I know and understand how a baby is conceived and develops during pregnancy*', parents do have a right to withdraw their child from these lessons. If this is the case, please fill in the form below and hand into the office.

An overview of all PSHE and RSE content can also be found on our website found here: [Hunton Primary School](https://www.hunton.kent.sch.uk).

You may want to speak to your child prior to this. There are many supporting resources available online which you may find useful in your conversations.

Unless we hear to the contrary, we shall assume that you have no objections to your child or children participating in this important aspect of their P.S.H.E. work.

As ever, thank you for your continued support.

Best wishes,
Mr Ming
