

The Contract Dining Company is extremely proud to announce that we have been awarded the Soil Association's Gold Food for Life Catering Mark.

We are the first caterer in Kent to provide this for all our schools. This means that at least 15% of the menu is organic, including milk, yoghurts, mince, burgers and meatballs, plus 5% of meat is Free Range, as are our eggs. All seasonal fruit and vegetables are bought locally and are sourced from the SE of England. We are passionate about the quality of food we provide and the effect food has on the environment and on children's health. Having this award also rubber stamps our commitment to buying ethically and supporting local suppliers and farmers.

LOOK OUT FOR OUR FUN DAYS

A study published in the British Journal of Nutrition in February 2016 showed that organic milk and meat contains around 50% more beneficial Omega-3 fatty acids than non-organic. There is strong evidence that Omega-3 fatty acids reduce the risk of heart disease and dementia.
