Are emojis an important part of communication?

In the news this week

10-year-old Teddy Cottle from Oxfordshire has launched a petition calling for Apple to change the glasses emoji, also known as the 'nerd' emoji, as he says it gives the wrong impression of glasses-wearers. Teddy decided to write a letter to Apple requesting the design be changed, asking his classmates and French teacher, Lisa Baillie, to sign it. She suggested instead that it should become a petition and it was launched on petitiononline.co.uk.
