## Monitoring and Implementation

Area	Challenge	Mitigating action
Teaching	Ensure appropriate staff are able to attend staff training; release time for DHT to monitor	Strategic use of staff meetings and leadership meetings. Arrange cover for DHT.
Targeted support	Identifying times for interventions to take place that minimise impact of lost learning time in the classroom	Interventions to take function as differentiated learning activity wherever possible ie: precision teaching to take place during whole class spellings.
Wider strategies	Ensuring target children engage with lunchtime clubs and enrichment opportunities	Clubs to be linked to areas of interest of target children target children to have leadership role, liaise with parents to encourage target children to engage.

## Review: last year's aims and outcomes 2019-20

Aim	Outcome
Mathematics Understanding in KS2	Pupils made progress in their ability to increase their mathematics fluency and connection of number. Continue to embed mastery in mathematics features across the school. Times Tables knowledge improved. <i>This was affected by Covid and lockdown. No national statutory assessments in place.</i>
Reading and Writing Understanding in KS2	Disadvantaged pupils made progress in their reading and writing fluency skills. Continue to ensure targeted support is in place. <i>This was affected by Covid and lockdown. No national statutory assessments in place.</i>
ICT software to improve appropriate access to the curriculum	Software and laptops were purchased to ensure pupils were able to articulate and record understanding far easily.
Financial constraints preventing pupils experiencing off-site learning	<i>This was affected by Covid and lockdown.</i>
Pupils' mental health	Pupils had access to a counsellor even during lockdown. School sent out wellbeing resources.
